

# Here's What's Happening in Kindergarten For the month of May

## Reading/Writing:

- Long and short vowels
- Use nouns and verbs in sentence writing
- Tell what is fiction and nonfiction
- Recognize different types of text (poems, stories)
- Informational writing
- End of the Year Assessments

## Math:

- Compare the lengths, heights, weights of 2 objects
- Describe measurable attributes of a single object
- Classify and count objects by color, shape, and size
- Make and read a graph to count objects that have been sorted into categories

## Science/Social Studies:

- Recognize symbols of the United States
- Creates maps of familiar places
- Summer Safety

## On going activities:

- letters, sounds, journals, phonics cards, popcorn words, beginning sounds, calendar, handwriting strokes, writing first name, sentence writing (spacing between words, first letter of sentence uppercase, using a period), using pointer finger to touch under words when reading, recall and retell information from the stories we read, segment words (stretch out short vowel words orally saying each sound), rhyming words, nonsense words
