Here's What's Happening in Kindergarten

Week of May 7th

This Week:

Reading/Writing:

- Stories: The Very Hungry Caterpillar, Nursery Rhymes
- Writing about butterflies
- Continue Mother's Day projects
- Kindergarten End of the Year Assessments

Math:

- Symmetry
- Drawing pictures for some, some went away stories

Science/Social Studies:

- Butterflies and Moths

On going activities:

- phonics cards, journals, popcorn words, beginning sounds, calendar, writing last name, sentence writing (spacing between words, first letter of sentence uppercase, using a period), segmenting words (stretch out short vowel words orally saying each sound), rhyming words, opposites, nonsense words, review consonant, vowel, consonant words (CVC words)

Reminders:

- May, 8th -Last day to turn in tabs and monetary donations for the Ronald McDonald House
- Kindergarten Spring Sing-Wednesday, May 16th @ 1:15pm-Wapakoneta High School Performing Arts Center
- Send in a snack donation for May

Practice at Home:

- Review letters, sounds, beginning sounds and popcorn words as needed
- Practice counting – 100 is the end of the year goal
- Review the seasons of the year
- Practice recognizing penny, nickel, and dime and how much each coin is worth
- Review opposites and rhyming words

This week we will learn the difference between butterflies and moths. We will complete group and individual testing for our grade cards. We are working very hard on our upcoming program. Friday is our school carnival and Ronald's Walk. We are very excited!! Don't forget to wear your WES class t-shirt on Friday.
