

Meet the Teacher

"Alone we can do so little; together we can do so much"
– Helen Keller

Welcome to Miss Richard's first grade classroom! I am very excited to share my love for learning with your children. I am a recent graduate from The Ohio State University, and currently reside in Anna, Ohio. I enjoy creative projects, photography, and hanging out with family and friends. Through The Ohio State University's early education teaching program I have been given the opportunity to work within various school districts gaining valuable classroom experience. I recently completed my one year student teaching internship at St. Marys Primary School in St. Marys, Ohio. I strongly believe that students learn by doing, and strive to create numerous opportunities for hands on learning in my classroom. It is my belief that all students have the potential to learn at a high level regardless of their background and circumstances. It is my mission as a teacher to build relationships and connections with all my students, while setting high expectations. I am excited to join the Wapakoneta School District as a first grade teacher! I look forward to working with your children this year!

Go Redskins!
